

Brookwood Street Tree Approved Replacement Options

Failing trees must be replaced per a requirement in the Planned United Development (PUD) documents for the community. The only replacement choices for street trees are:

- **Allee Elm**
- **Drake Elm**
- **Cathedral Live Oak**
- **Highrise Live Oak**
- **Red Maple**

Fact sheets with information about these species of trees can be accessed on the HOA website by following the links at <http://brookwoodhoa.info/arborists-street-tree-findings/>.
